

FACILITIES DATABOOK

Due to the requirements of HSPD-12, the Government is unable to provide the Facilities Databook as an attached document to this RFP. However, potential Offerors requiring this information will be able to receive a copy of the CD containing the Facilities Databook at the Industry Day Briefing after signing an agreement in which the Offeror agrees not to distribute or reproduce the information contained on the CD. Offerors that are unable to attend the Industry Briefing may contact Rhoney Triplett via e-mail, rhoney.triplett-1@nasa.gov, to request a copy of the CD and make arrangements for the transfer of the CD from the Government to the Offeror (after the Offeror signs the aforementioned agreement).
